### **NITK global convention**

NITK Alumni Association will organise 'Global Convention-14 (GC-14)' at NIT-K campus here on December 23 and 24. The two-day event will have four sessions. Prof. Trilochan Sastry, IIM, Bangalore, will be the chief guest. During the GC-14, an 'Entrepreneur's Lane' will be held, to showcase products developed/produced by Alumni across the globe. Valves, material handling equipment, drone maintenance services, polyurethane rollers, etc are a few products that will be displayed. There will be an 'Author's Corridor' to exhibit books written by NITK alumni. More than 35 authors will display their books during the event. During the author's workshop, author Vasudhendra will speak on the topic 'Why literature for engineers?'
